

**COMMUNICATION**

The set of claims filed on 4/25/2008 is not compliant with 37 CFR 1.121.

The examiner respectfully notes applicant has amended the claims upon entry of the national stage under 35 USC 371 on 9/30/2005 with respect to the original claims filed with the PCT application on 3/31/2004. Notably in this regard, amendments adding various provisions to claim 1, for instance, are not indicated as underlined, thereby, coupled with the extensive number of limitations set forth in the claims, analysis with regard to new matter under 35 USC 112 first paragraph and/or priority considerations is inordinately difficult. Furthermore, claim 1 is indicated as original, when the correct status identifier should be currently amended.

The foregoing analysis should not to be deemed exhaustive, as there may be other claims which were similarly amended but not marked up on 9/30/2005. In accordance with 37 CFR 1.121(c), applicant is required to submit a set of claims marked up with respect to the version filed with the PCT application filed 3/31/2004.

The examiner appreciates applicant's cooperation in this matter.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE(1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
